Thanks Joanna -

A few questions (so I can get the hotel sorted out) - are we planning on starting first thing on Mondays? Also, if possible, I would love to be able to zoom over to Bradford Co LEPC meeting (0900 on the 13th) - I expect that I would be able to be back for any 1300 appointments. Non-site specific travel is a pain these days and that would be great if I could do it - as long as you are aware and it does not impact any appointments. Please let me know as soon as you can - thanks!

Hey Guys,

Thanks for getting back to me. I have placed you on the calendar based on the dates you provided. If there is a conflict, please let know so I can try to get other coverage, otherwise I'll see on those days:)
